Highly motivated 2nd-year **Computer Science** major at Bina Nusantara's School of Computer Science seeking a Data Science internship. Proficient in **Python coding** and foundational **Data Structures**, I excel at **critical thinking** and **problem solving**. My experience as a student leader demonstrates proven **teamwork** and the **leadership** capacity to organize groups and drive projects toward a successful outcome.

Experience

Freshmen Partner

BINUS University / 08/2024 - 06/2025

- Guided first-year students through their transition into college, offering academic and social support throughout the semester.
- Collaborated with other Freshmen Partners to organize activities and build a supportive community for new students.
- Strengthened teamwork, collaboration, and public speaking skills through group facilitation.

Freshmen Leader

BINUS University / 07/2024 - 08/2024

- Led and coordinated a group of freshmen during orientation and early semester activities to support their transition into college.
- Collaborated with fellow leaders and faculty to organize events, facilitate discussions, and provide guidance.
- Developed leadership, communication, and teamwork skills while fostering an inclusive and supportive environment.

Organization Member

BINUS Volley Club / 09/2023 - 09/2024

- Participated in regular training sessions and club activities as part of Bina Nusantara university volleyball community.
- Collaborated with other teammates to develop teamwork, discipline, and sportsmanship.
